Brightwheel App

Brightwheel is a secure, online system for receiving invoices and receipts for tuition as well as paying bills digitally. You will use your four digit Brightwheel code to check your child in and out each day. Please do not share your code. Each person authorized to pick up your child will have their own code. The app is also how we stay connected to you with messages and a real-time feed of activities throughout the day.

Food and Drink

Please send a lunch (noon) and snack (3:00 pm) each day in a lunch bag with your child's name on it. We will provide a small morning snack for children over two years old. If your child is under two or has special dietary needs, please send a morning snack (10:00 am) for your child as well.

We do not have refrigerator space for the children's lunches. If your child's lunch requires refrigeration, please send it in an insulated container with an ice pack. Please send foods that are already prepared and that don't require more than a minute or two of microwave time. Everything you bring should be labeled with your child's name.

For infants, send formula or milk with a bottle or sippy cup labeled with your child's name. We do have a small fridge and freezer for bottles and breast milk. If you would like to send a container of formula and/or several containers of baby food at a time, you will be notified when more is needed.

Please send a sippy cup or bottle labeled with your child's name, that we can keep here for water.

Other

Clothing - Please send your child(ren) in clothes appropriate for outside play. Except in extreme cases, children will have outside play-time every day.

Change of Clothes - Spills and accidents happen. Please send a change of clothes for your child. Check regularly to ensure that clothes fit and are appropriate for the season.

Water Days - When the weather permits, we occasionally have water days. Please bring a swimsuit (and swim diapers if needed) and towel for your child that we can keep here.

Diapers or Pull-Ups - Please bring a supply of diapers or pull-ups and wipes for your child. You will be notified when more are needed. The items you bring should be labeled with your child's name and will only be used for your child.

Comfort Items - If your child has a small blanket or comfort item that would help them during nap/quiet times, you may bring one that we can keep here or send them with one each day. Items should be labeled with your child's name. You are responsible for occasionally laundering these items.
